

**REMARKS/ARGUMENTS**

In view of the amendments to the specification and claims as provided above and the Terminal Disclaimer being filed herewith, it is believed that all objections and grounds for rejection of the present claims are removed and they are in condition for allowance. Please feel free to contact the undersigned representative if there are questions.

Respectfully submitted,

A handwritten signature in black ink that reads "Jonathan W. Morse". The signature is written in a cursive style with a horizontal line underneath the name.
